SUBJECT: Contractor's License Examination

Examinations for the license to install, erect or repair boilers and pressure vessels and pressure piping in the Commonwealth of Kentucky shall be in writing and shall be given and monitored by the boiler Inspection Section. Examinations are to be given on the second Friday of each month throughout the year. Examinations will be of a closed book type with a three-hour time limit. Starting time will be 8:30 a.m. (EST) on the morning of the examination date.

To schedule an appointment to take the test, please contact our office at (502) 573-1708. Scheduling must be done at least 5 days prior to the test date.

Enclosed is an application for license. This application is to be filled out and returned to this office with a check for two hundred and fifty dollars (\$250.00) for the examination, payable to THE KENTUCKY STATE TREASURER.

This test is written directly from the boiler statutes and regulations. You may find them at the following web links:
